

BOIL ADVISORY LIFTED

Date _____

The Evansville Water Utility (IN5282002) is lifting the precautionary boil advisory for your area.

Results of the samples collected from the affected area have revealed no evidence of contamination. Accordingly, the boiling of water for consumption purposes is no longer necessary.

The Evansville Water & Sewer Utility appreciates the cooperation and understanding of our customers throughout this incident. While we recognize the inconvenience generated by a boil advisory, the safeguarding of the health of our customers will remain our number one priority.

Questions regarding this issue may be directed to 812-421-2130.

BOIL ADVISORY LIFTED

BOIL ADVISORY

Date _____

The Evansville Water Utility (IN5282002) is issuing a precautionary boil advisory to safeguard the health of our customers.

While the potential of contamination of the drinking water is unlikely, the Evansville Water Utility is advising customers in the affected area to bring all cooking and drinking water to a complete boil for five (5) minutes before using. Please continue to boil all cooking and drinking water until we notify you with a green tag that it is no longer necessary.

Further information regarding this issue may be obtained by contacting 812-421-2130.

BOIL ADVISORY

EVANSVILLE WATER & SEWER UTILITY

Dear Customer,

We will be doing some construction work in your area that will require the water to be turned off for a period of time from approximately,
